

MEMBERSHIP 2004

In April 2004 we conducted our annual membership drive. Thank you, thank you, and thank you, to all our "old" and new members. You have "voted" with your membership renewals and generosity to keep PENA-West strong and the envy of every other voluntary homeowner's association that we know about. We now have 248 members. Overall four out of five residents chose to join PENA-West (78%). This is a very high percentage compared with other voluntary neighborhood associations. Congratulations to all of our Block Captains for a great team effort!
